

## § 26.20

### § 26.20 Admissions as to facts and documents.

(a) *Request for admissions.* At any time after an answer has been filed, any party may serve upon any other party a written request for the admission of the genuineness of any relevant documents described in the request or of the truth of any relevant matters of fact. Copies of documents shall be delivered with the request unless copies have already been furnished. No order of the hearing officer is necessary.

(b) *Objection.* Each requested admission shall be considered admitted unless, within fifteen days after service of the request, the party from whom the admission is sought serves upon the party making the request either (1) a statement denying specifically the relevant matters of which an admission is requested or setting forth in detail the reasons why the party can neither truthfully admit nor deny them, or (2) written objections on the ground that some or all of the matters involved are privileged or irrelevant. Answers on matters to which objections are made may be deferred until the objections are ruled upon, but if written objections are made only to a part of a request, the remainder of the request shall be answered.

(c) *Limitation.* Admissions obtained pursuant to this procedure may be used in evidence only for the purposes of the pending action to the same extent and subject to the same objections as other evidence.

### § 26.21 Prehearing conference.

(a) *Prehearing conference.* The hearing officer may, on the hearing officer's own motion or at the request of any party, direct counsel for all parties to confer with the hearing officer before the hearing for the purpose of considering:

- (3) The disclosure of the names of witnesses;
- (4) Matters of which official notice will be taken;

Irrelevant, immaterial, privileged, or unduly repetitious evidence shall be excluded.

Unless otherwise provided for in this part, the Federal Rules of Evidence shall provide guidance for the conduct of proceedings under this part. Parties
